These newly built villas offer several models to choose from, with options of 2, 3 or 4 bedrooms, on one or two levels, and with slab or conventional structures, depending on the model and plot selected. Located on rustic plots of more than 10,000 m², these villas have large spaces and great privacy, offering a quiet environment away from the tourist overcrowding. The price is adjusted according to the model of villa and the plot chosen.

OUTDOOR AREAS

The villas are located on plots of more than 10,000 m², of which 2,500 m² will be fenced for privacy and security. They have a porch, private pool and spacious outdoor areas that allow you to enjoy the tranquility and views of the mountainous environment surrounding the property.

INDOOR AREAS

The homes include an open plan kitchen integrated into the living room, fitted closets in the bedrooms, and three bathrooms. The villas are designed to offer comfort and spaciousness, with a built area of 190 m², of which 153 m² are usable. In addition, they have a solarium and storage room, and each house has an outdoor parking space.
