Discover an exclusive collection of four detached villas located in the privileged area of La Fustera, Benissa Costa. Designed for those seeking the perfect balance between modern architecture, comfort and Mediterranean charm, these homes reflect a sophisticated design with a high level of quality and energy efficiency. Each villa has been meticulously conceived to blend in with its surroundings, fusing Ibiza aesthetics with Mediterranean-style functionality. Thanks to their single-storey design, indoor and outdoor spaces connect effortlessly, maximising comfort and natural light.

OUTDOOR AREAS

The villas are surrounded by an exceptional natural environment, providing a peaceful and private setting just 1 km from La Fustera beach and only a few minutes from Calpe, Moraira and Benissa. Living area of 139,61 m², all on one floor. Terraces of 68,54 m² with pergolas and shaded areas, ideal for enjoying the Mediterranean climate. Private swimming pool of 29.50 m², perfect for cooling off and relaxing outdoors. Private gardens, designed with native vegetation for easy maintenance and minimal environmental impact. The use of natural materials such as wood and stone, together with clean architectural lines and cubic volumes, creates a timeless aesthetic that is harmonious with the surroundings.

INDOOR AREAS

The interior of each villa has been designed to provide comfort, elegance and functionality, highlighting: Open plan living areas, which maximise space and natural light. Large windows, connecting the interior with the terraces and garden. Modern and fully equipped kitchen, with high quality finishes. Spacious and bright bedrooms, with fitted wardrobes and unobstructed views. Bathrooms of contemporary design, with top quality materials. The design and layout of these homes foster a perfect connection with nature, ensuring privacy and an exclusive living experience.
