This development of six luxury villas in Polop offers spectacular sea and mountain views. Each villa has a plot of 413 m², swimming pool, parking, barbecue and large garden. With 293 m² distributed over two floors and a semi-basement, the villas feature a modern kitchen with island, living-dining room, three bedrooms, and three bathrooms. The bathrooms are fully equipped with Roca brand products and the kitchens include Siemens appliances. In addition, the houses have air-conditioning and underfloor heating with Panasonic aerothermics. The properties, with high quality carpentry and double glazing, will be delivered in May 2023 with A energy certificate.

OUTDOOR AREAS

The exteriors of these luxury villas in Polop are a true haven of serenity and beauty, designed to make the most of the stunning sea and mountain views. Each villa boasts a generous plot of 413 m² that includes an infinity pool, barbecue areas and a spacious garden, ideal for outdoor entertaining and relaxation. The construction is modern, with ample terraces both covered and uncovered, providing multiple spaces to enjoy the Mediterranean climate and natural landscape. All this contributes to an exclusive and private atmosphere.

INDOOR AREAS

The interiors of these villas in Polop are the essence of modern luxury and functionality. Upon entering, a kitchen equipped with top of the range Siemens appliances and top quality finishes, including a central island ideal for culinary preparations and social gatherings, stands out. The living-dining room is spacious, designed to maximise natural light and facilitate a seamless connection to the outdoor terraces. Each villa has three bedrooms and three bathrooms, emphasising elegance and comfort. The bathrooms feature Roca sanitary ware and thoughtful details such as heated towel rails. Air conditioning and underfloor heating throughout ensure year-round comfort, while high quality interior carpentry adds an extra touch of sophistication.

POLOP DE LA MARINA
