☒ Gymnasium

With a markedly Mediterranean line, the villa stands out for the use of durable materials and finishes of the highest quality. This house rescues the terrazzo finish in combination with pure and neutral colours, perfecting the design with the best construction qualities in diaphanous spaces. It is one of our most exclusive projects unifying current trends with the most innovative design.

OUTDOOR AREAS

This residential complex is equipped with Belmar design villas. It is one of the most luxurious and exclusive complexes on the Costa Blanca. They are equipped with four bedrooms and three bathrooms, all of them distributed by the different floors of the house. It has more than 150 square metres and a basement of 80 square metres.

INDOOR AREAS

With a markedly Mediterranean design, Belmar stands out for the use of durable materials and finishes of the highest quality. For this house we rescued the texture of terrazzo, combined with pure and neutral colours, completing the design with the best features in taps, bathroom fittings, enclosures and installations in an intelligent distribution of space. Belmar is the reflection of our determination and effort to offer you the best in space and design trends.

ALGORFA

Algorfa, in the Alicante region of Spain, is a charming corner that combines rural tranquillity with proximity to the beaches of the Costa Blanca. Its tourist attraction is based on its natural surroundings, golf courses and proximity to places such as the Laguna de La Mata, perfect for bird watching and enjoying nature. The lifestyle in Algorfa is serene, ideal for those seeking the peace of the countryside without straying too far from the coast. Residents and visitors take advantage of the golf courses, go hiking and enjoy the rich local gastronomy in relaxed surroundings. Although not a mass tourist destination, Algorfa offers an authentic experience of Spanish rural life, where tranquillity, nature and the hospitality of its inhabitants create a welcoming and peaceful atmosphere.
