The development is located in the highest part of Campoamor (Orihuela Costa) and represents the essence of what it means to live in the Mediterranean: light, spaciousness and excellence in a development that looks towards the sea from every angle. Composed of flats and penthouses, with 2 and 3 bedrooms, with large terraces overlooking the sea and nature, it is to feel the Mediterranean in every room of the house. The concept of wellbeing is present in every little detail of these homes.

OUTDOOR AREAS

Residential complex with a total of 147 exclusive apartments distributed in 3 towers. Each home combines the best materials with design and technology so that you can enjoy a unique lifestyle. The residential is surrounded by an extensive area covered with green areas and kilometers of beaches with crystalline waters and fine sand with more than 280 sunny days a year and mild temperatures.

INDOOR AREAS

features smart spaces with lots of natural light to accommodate the whole family. It is a privileged destination to walk on the beach, practice outdoor sports or simply enjoy small pleasures in this safe and quiet environment far from the stress of the city.

COMMON AREAS

It is a modern and innovative urbanization conceived with an architectural project in which design is a priority, merging spaciousness and new technologies in terms of efficiency apartment construction, as well as enviable common areas that will offer its residents the best quality of life they can imagine. The Residential has swimming pools (one indoor heated), landscaped areas for strolling, children's playground pools, a spectacular chill out on the rooftop .... And all with the most beautiful horizon: the Mediterranean Sea, and the security of living in a protected residential.
