Modern newly built apartments located in Hondón de las Nieves, a charming town nestled in a beautiful valley between olive and almond groves. This enclave, southwest of the province of Alicante, belongs to the region of Vinalopó Medio and is surrounded by natural landscapes, offering a quiet and authentic environment. The area is known for the cultivation of the famous "Uva de mesa embolsada Vinalopó" with denomination of origin, as well as for its cultural and architectural richness. These newly built apartments offer a comfortable and modern lifestyle in a natural setting, combining tradition and modernity in the same space. With a constructed area of 96 m², each apartment has 3 bedrooms and 2 bathrooms, offering spaciousness and comfort in every corner. The northwest orientation guarantees natural light during most of the day.

OUTDOOR AREAS

The building is designed to maximize energy efficiency and comfort. Photovoltaic panels have been installed on the roof, contributing to energy savings and respect for the environment. The homes have an elevator, facilitating access to all floors. In addition, parking is available on the public street, ensuring convenience for residents and visitors. The pre-installation of ducted air conditioning allows the spaces to be efficiently air-conditioned throughout the year.

INDOOR AREAS

The interiors of these modern apartments stand out for their contemporary design and quality finishes. The bathrooms are equipped with top quality sanitary ware and faucets, including built-in cisterns that optimize space and functionality. The house is prepared to guarantee thermal comfort thanks to the aerothermal system that supplies hot water efficiently. The spaces are distributed to make the most of natural light, creating a cozy and elegant atmosphere in each room.
