Detached House with 600 m² Plot Near Orihuela City. Discover this detached house with a 600 m² plot, located just minutes from Orihuela city. The property, with over 100 m² built, includes 4 bedrooms, 1 bathroom with a window, an independent kitchen, a hall, and a porch. Currently, the house requires a complete renovation, offering you the opportunity to design it to your taste. However, the solarium is newly renovated, like new, and features a spacious room accessible via an exterior staircase, ideal for a convenient storage room or office. The property has a basement with a height of 1.70 m, where two small cars can fit, along with a storage area. Additionally, there is a paved section in the garden with space to park three cars. The garden needs a thorough clean-up but offers the perfect spot to build a private swimming pool. This property is sold without inventory and has no community fees, making it an interesting option for those seeking a renovation project with great potential.
